Project Experience

Intermediate Financial Management, Fall 2019

- Developed an Excel spreadsheet to valuation stocks in corporation and used a Free Cash flow model to determine the value drivers of the company.
- Used Excel to create formulas to find the optimum capital structure of a firm and its weighted average cost of capital at that optimal to determine the interest rate a company would pay investors given the capital.

Investment Banking, Spring 2020

- Created detailed Industry Analysis to assess where chosen company is standing in the specific market relative to competitors, and what is currently happening in the industry to determine the strongest assets to get an early competitive advantage.

LEADERSHIP EXPERIENCE

Resident Advisor, The University of Alabama, August 2019- May 2020

- Ensure a safe and learning environment for over 48 residents and took disciplinary actions when needed.
- Took various training courses on safety and who to contact during emergencies.

LIFT, The University of Alabama, Culverhouse College of Commerce, Fall 2018

- Mentored approximately 30 high School students in the importance of Personal Finance and development and how to be financially stable. As well as teaching Tuscaloosa citizens on how to use Microsoft Applications in low income communities.

Bama Bound Orientation, The University of Alabama, Parent Ambassador, Summer 2017

- Coordinated 10-25 speakers and events geared towards educating parents about the University of Alabama.
- Anticipated the needs for over 2000 first time Parents and answered any questions or concerns they had to put them at ease with leaving their students here for the Fall 2017 semester
