This is an example for a judge logging into Group One. Most of you are registered for just one group, so this is where you will 'land' when you login to the system.

If you have access to more than one room, skip to page 7 of this deck. Choose one room and then come back to instructions on this page.

To move forward, click the Group Feed icon.

2020 Edward K. Aldag, Jr. Student Business Plan Competition

Clicking here takes you to the main UA page (shown on page 1 of this deck).

Now you are in the Group Feed page, and you can see the business plan portal entry for each team / person competing in your group.

Note access to the judge evaluation pages located here.

Currently, the Business Plan module in StartupWind only supports .pdf files. Therefore, all competitors (who haven't already done so) are asked to export their PowerPoint file in a .pdf format, and upload it into their StartupWind business plan before the deadline at noon tomorrow.

If your presentation includes embedded videos or other critical information that wouldn't work in a .pdf format, please contact Joshua

Click on any one of your teams, and then you will see something like what is on the next page of this deck.

Recommend not using this back button as it take you back to the initial dashboard page vs. the group feed page, where you will find the other business plans.

The screenshot shows a business plan page for '3D Creations Reforestation Non-Profit'. At the top, there is a navigation bar with a 'Back to Group' button (highlighted by a blue arrow from the left text), a 'Follow' button, and a 'Business plan rating (0 ratings)' section with five stars and a 'Rate' button. Below the navigation bar, there is a section titled 'Uploaded Video link:' with a URL: <https://www.dropbox.com/s/gj657wjt0cy9/Daton%20Novis%20-%203D%20Creations%20Reforestation-ALDAG%20pitch.mp4?dl=0>. To the right of the video link, there is a description: '3D Creations Reforestation Non-Profit aims to combat environmental degradation through sustainable drone technology. Non-profit Organizations BUSINESS PLAN 3D Creations Reforestation Non-profit has developed a 3D printed drone to deliver "seed balls", composed of clay, soil, and seeds, to deforested areas... See more >'. Below the description, there is a link to the GoFundMe page: <https://www.gofundme.com/f/3d-creations-reforestation>. The page also shows 'CREATED ON 11 Apr 2020' and '0' likes and comments. Below this, there is a 'MARKET SIZE AND GROWTH' section with four cards: 'MARKET SIZE TODAY IN MILLIONS' (\$1,900), 'PREDICTED MARKET SIZE IN 5 YEARS' (\$3,700), 'MARKET GROWTH RATE' (14.1%), and 'MARKET PENETRATION TODAY' (0%). Below the market size section, there are two analysis boxes: 'BOTTOM-UP MARKET ANALYSIS' and 'COMPANY ANALYSIS'. The 'COMPANY ANALYSIS' box shows: 'Number of Employees: 0', 'Burn rate: Not specified', and 'Funds raised of investment: \$18,500'. At the bottom, there is a 'BUSINESS PLAN DECK' section with a video player showing a globe.

This page hosts their business plan materials.

You can click on the embedded video to watch their pitch.

In addition to the pitch video, all teams added a PDF copy of the business plan slides to allow closer review as needed.

Some students may add a logo, or other details in boxes displayed, these elements should be considered optional and not heavily weighted in any judging decisions.

TIP:

Navigate back to the main room page by using your browser back button.

CLOSE

Click the “add score” link under your name. Then the entire judge sheet will appear, and you can enter scores at any time.

TIP: From a process perspective, it may be easier for you to print out a copy of the [judge form](#). That way, you can make notes as you browse the student portal pages and documents, and then you can commit to the on-line form when done.
